Upset Marks Election

A stunning upset marked the annual town election in Andover Monday as Dr. Francis E. Griggs, making his first try at political office topped the school committee race and the ballot.

Dr. Griggs, a professor at Merrimack College, defeated Mrs. Virginia Cole who was seeking re-election to another three year term on the board. William F. King, also seeking re-election to the school board was returned but trailed considerably behind Dr. Griggs.

Voter turnout was light despite a good day weather-wise, with only 48 percent of the town's registered voters going to the polls. An 80 percent turnout was recorded in the November national-state elections.

Selectman Roger W. Collins was re-elected to a three year term on the board of selectmen and was joined by Milton Greenberg of Sagamore Drive, who was successful in his second try for the particular office.

Atty. Arthur Williams was successful in his bid for re-election as moderator, soundly defeating former Town Manager Richard J. Bowen, 3,627 to 1,700.

In the Housing Authority race, Thomas P. Eldred, facing competition for the first time in his long career on the board, was

(Continued on Page 24)

Selectmen Reorganize

Selectman Robert A. Watters was re-elected chairman of the board at an organizational meeting of the board Tuesday night, following Monday's annual town election.

Watters was the unanimous choice to continue as chairman, a post he has held for the past year.

Also re-elected was Roger W. Collins who will again serve as vice chairman. Selectman George E. Heseltine will serve as secretary on the board.

Selectman Milton Greenberg, elected Monday, attended his first official meeting Tuesday night. He replaces William Stewart who retired from the board this year.

GETTING RESULTS. Interested residents and election workers gathered in the rotunda of town hall Monday night to get the latest results in the town election. The computer totals were posted by precincts as the results were tallied. The totals were known by 9 o'clock, making it the earliest tabulation in many years.

Pattullo Appointed Lieutenant

Sgt. Hector G. Pattullo has been promoted to the rank of lieutenant in the police department by Town Manager J. Maynard Austin. The appointment will be effective

April 1 and is conditional on town meeting approval.

Town Manager Austin told the selectmen Tuesday night, that it was his intent to increase the size of the police department and to provide a lieutenant on more than the single day shift.

The plan, as worked out with Police Chief David L. Nicoll, will be before town meeting.

Reason for the appointment being

made now, Austin explained, is that the existing civil service certified list for lieutenant will expire this week.

The selectmen unanimously approved the appointment.

Pattullo topped the civil service (Continued on Page Six)

FinCom Sees \$4 Increase

The increase in the 1971 tax rate can be held to no more than \$4 if the recommendations of the Finance committee are followed.

The FinCom report in the mails this week to all residents of the community, gives its recommendations on adoption of the annual municipal and school budgets, along with special articles appearing in the warrant.

The financial watchdogs were able to reduce the overall increase, according to Dr. Albert J. Greenberg, chairman, by careful scrutinizing each individual budget, and cutting out where it felt savings could be realized.

Too, the group recommends use of \$600,000 from the town's million-dollar-plus free cash account.

Dr. Greenberg said it is his intention to notify the voters at town meeting of ways in which the tax rate increase can be reduced further, to one dollar, or possibly keeping at its present \$39 per thousand rate.

The FinCom chairman stated that further cutback in budgetary requests can be realized. He said it was his intention to so notify the voters and to allow them to make the ultimate decision on whether in some cases, to pay for services now, or postpone them for a year.

Town meeting is scheduled to get underway Monday night, with an abundance of items to be considered in the 75-article warrant.

In addition to money articles, there will be an item calling for adoption of a representative town meeting system, the veto power of the Finance Committee at the October town meeting is being challenged in another article and several zoning issues are to be considered.

One of the most controversial is an item which would ban the sale of non-returnable bottles as of April 1, 1972.

The meeting is scheduled for three sessions. Following adjournment Monday, the session will convene again on Monday, March 15 and hopefully conclude on Saturday, March 20.

The major expenditures include \$1,900,500 for the Doherty school addition and \$4,000,000 for a water treatment plant. Both items have FinCom approval.

The Finance Committee reports

Indian Life Topic For Discussion

"A Day in the Life of an Indian Sari" will be the special feature by Mrs. Romola Chowdhry Morse at the Andover Christian Women's Club luncheon on Tuesday, March 9, from noon to 2 p.m., at the Indian Ridge Country Club, Lovejoy Road.

Mrs. Morse, a native of India, and now a resident of Andover, will describe the various uses of the sari and display many of the beautiful silks of India, including the ceremonial saris. There also will be a demonstration of the draping of the sari.

Mrs. Dottie Lusk, of Burlington, will be the guest speaker, and the special music will be presented by a women's trio composed of Mrs. Joan Barnes, Mrs. Deane Davis, and Mrs. Marjorie Skelley, all of Boston.

Reservations may be made with the following before Friday noon: Mrs. Lucy Lancaster, 76 Woburn St.; Mrs. Edith Perkins, 102 Dana Road, Reading; or Mrs. Jenette Hervey, 4 Pomfret Road, Chelmsford.

A free nursery will be provided for pre-school children.

Acceptance Of Streets Approved

Several streets have been approved for acceptance by the selectmen.

The approval will be subject to action of the town meeting, which must give the final say on the matter.

Approved by the selectmen to be laid out for proper acceptance were: Landau Lane to Hackney Circle, Phaeton Circle, Hackney Circle, Bridle Path Road, to Hackney Lane, Glenwood Road to Morningside Road, Sleepy Hollow Lane, Clover Circle, Launching Road, Millstone Circle, Enfield Drive, Ivy Lane and College Circle, Joseph Street.

Disapproved were Matthew Street, where a main at the end of the street must be repaired to prevent freezeups.

Donald Circle, where a slight drainage problem must be corrected, Morningside Drive, Chase Circle and Hansom Road.

Named Golf Head

Robert Lawson of the Andover High school faculty was elected golf commissioner for the Merrimack Valley Interscholastic Golf League.

He will replace Donald Dunn who organized this league three years ago and has served as its commissioner since its beginning.

Mr. Dunn will work along with Mr. Lawson coaching golf at the Andover High until the end of the season.

The British Stamp Act was passed against the American colonies on March 22, 1765.

Obituaries... Popular Sportsman Succumbs

A veteran Andover automobile salesman, who was prominent in the Andover Boosters Club, died Monday while vacationing in Florida.

Walter Pearson, 57, 8 Woodcliff Road, died in Holy Cross Hospital, Fort Lauderdale, after a short illness.

Born in Lawrence, April 6, 1913, he was a long-time Andover resident.

He was a salesman for the Shawshen Motor Mart of Andover.

Mr. Pearson was a member of the Free Christian Church, and a member and past president of the Boosters Club.

He was a member of St. Matthew's Lodge of Masons and the Andover Service Club. He was a member of the 500 Club of the Ford Motor Co. and a former member of the Andover Recreation Committee.

Surviving are his wife, the former Marion Coutts; a daughter, Nancy, wife of James McKiniry of Hampton, N.H.; two sons, David and Richard of Andover; two sisters, Mrs. John Pash of York Harbor, Maine and Mrs. Carl Richards of New York City; also four grandchildren.

The funeral will be held Thursday at 2 p.m. at the Lundgren Funeral Home, 18 Elm St. Burial will be in Spring Grove Cemetery.

Memorial gifts may be sent to the scholarship fund of the Andover Boosters Club, care of Homer C. Wadman, treasurer, 107 High St.

KAREN B. HOLT

Karen Ruth Holt, three-months-old daughter of Frank G. Holt, III and Jane A. (Anderson) Holt, 19 Henderson Ave., died unexpectedly Wednesday, Feb. 24.

Stricken at home while being attended by the mother, she was taken by ambulance to Lawrence General Hospital where she was dead on arrival.

Dr. John T. Batal, medical examiner, attributed death to viral pneumonia.

Besides her parents she is survived by her paternal grandparents, Mr. and Mrs. Frank G. Holt, Jr. of Groveland and her maternal grandparents, Mr. and Mrs. Adelbert Anderson of Tewksbury.

The funeral and burial was private.

Named Officers

Two Andover area students were elected section class officers for 1971 academic year at Wentworth Institute in Boston, according to an announcement by Dr. H. Russell Beatty, Wentworth president.

To be elected a class section officer, a student must have a cumulative average of 2.0 or above.

The students are Edward Dewhurst of 43 County Road and John Sullivan of 21 Hewitt Ave., North Andover.

FLAG PRESENTED. On Tuesday, Mrs. Edwin F. Lewis, flag chairman of Priscilla Abbot Chapter, D.A.R., presented a flag which had flown over the Capitol in Washington, D. C., to members of Girl Scout Troop 425, West School. The ceremony was held at the West Parish church and is an annual custom of the Priscilla Abbot Chapter.

Recreation Master Plan Set

The Recreational Advisory Committee has released their masterplan for development of Andover Recreational Park as the town's complete-spectrum recreational facility, in 12 annual steps, to spread the cost to the town.

Step one in the masterplan has been endorsed by the selectmen, in their unanimous vote to support Articles 60 and 61 in the town meeting warrant. These call for construction of a concrete multi-purpose play area north of the present softball diamond, and construction of a third earth soil conservation dam to control the water level of Pump's Pond.

The multi-purpose play area would be a concrete slab, 80' x 200', with game lines for basketball, volleyball, badminton, shuffleboard and paddle tennis. By using removable net standards, the area could be cleared for roller skating, social and square dancing, and ice skating in the winter. RAC Chairman Mrs. Margaret Keck said the committee put this into step one of the master plan because it was a construction which would make great improvement quickly without a great outlay of money by the town. A shelter building nearby will eventually provide for warming facilities in winter and group picnic facilities in summer.

The masterplan is the result of 2 1/2 years of planning by the Recreational Advisory Committee, and six months work by the Allen Organization, the Bennington, Vt., recreational planning firm which actually produced the final masterplan, and map. The masterplan encompasses the gravel pit and Foster's Island, as well as the present recreational facilities. Planner Stewart Allan's report finds that the 190 acres of the Andover Recreation Park contain all the necessary elements for an excellent recreation area, potentially one of the most beautiful and useful in the state. The report warns that the swimming will continue to deteriorate, however,

unless the pond is dredged, which would cost several hundred thousand dollars, a modern swimming center constructed, or the swimming area separated from the rest of the pond by a curtain wall, allowing chemical treatment or even filtering of the water within the swimming area.

Allen recommends the new curtain wall method, if feasible, as the least expensive way to provide good swimming conditions, and "a way which retains the aesthetics of the area." A study this year will determine the feasibility of the curtain wall method, and Step Two of the masterplan, for next year's town meeting to vote, would be improvement of the swimming center and construction of a new bathhouse, with dressing room, toilets and showers, first aid room, office, and a snack bar. The present bathhouse is judged substandard, as is the basketball court.

The Pond would have a boating center, a small building for control and storage of boats and a small dock to tie up rowboats, canoes and pedal boats which would rent out on an hourly basis.

A parking area for 120 cars is recommended near the swimming area, and just south of the area, the existing picnic area would be expanded, with informal horse-shoe pits added.

The natural slope south of the picnic area could provide an auditorium for an outdoor theater,

with audiences sitting on the grassy slopes. Gravel Pit

The gravel pit has great potential to the recreational planners, who see a baseball and softball diamonds and a football field in the flat center, once seeded, as well as dog and horse shows and other special events in this area. An archery range could use the steep slope as a backdrop, while skiers would make use of a rope-tow on the northerly slope. A portion of the Swamp area nearby would be cleared for natural pond skating, and a shelter building would provide toilet facilities for this whole area, and be a warming hut for winter sports. In the general gravel pit area, a large mini-bike and snowmobile trail is recommended, with "S" loops, curves, hills and valleys as well as straightaways.

Foster's Island should be kept as natural as possible, according to the plan, serving as ecological study areas and wildlife preserves, with walking trails, nature trails and observation piers extending into the marshlands. Foster's Island could even serve as a week-long residential camp, as part of the fifth or sixth grade curriculum.

The planners recommend that entrance to the Park be limited to one location, the present Abbot street entrance, for better control,

Vacation Camp Is Successful

The Andover YMCA February Vacation Camp of last week, proved most successful with a capacity enrollment of 60 boys and girls 8 to 12 years of age. The daily program started at 9 a.m. and closed at 3:30 p.m. and was conducted for five days, Monday through Friday. Featured were daily recreational swims at the Phillips Academy pool, bowling, roller skating, trampoline, gym activities, crafts, and movies.

Y Physical Director, Walter J. Kimball, Sr., directed the program assisted by Bob Silva and a staff of Y junior leaders.

Another vacation camp will be conducted during the April school vacation with registration being accepted beginning March 22.

and a loop road approximately 4300 feet in length link all the proposed facilities with a minimum of hazard. Existing roads would form a sizeable portion of the loop.

Three major areas within the loop road could contain an area for four all-weather tennis courts, and handball courts, a children's zoo for farm and native animals and a children's play area with a shelter building, an old-fashioned carousel and play apparatus. Nominal charges for admission to the carousel and zoo and for animal food could add revenues for upkeep, possibly profit.

The report recommends renovating the present recreation building, with an addition at the lower level to serve as a year-round maintenance center, and garage space. An arts and crafts area is recommended under the trees near this building.

The plan also includes benches in shady areas along the shore of Pump's Pond, walks and trails for easy access and pleasure strolls, and protection of existing trees. Parking would be provided at the gravel pit area.

Mrs. Keck pointed out that the plan, like the town's masterplan for sewers and storm drainage, provide for orderly development in a way the town can afford. She emphasized that priorities and steps for each year have been set up, but that these can be shifted as the town desires.

Homestead II At Free Church

John Ertha, Director of Homestead II and teacher in the Newton School system, will speak on "God's Trombones" at the Free Church Saturday service, March 6, at 6 p.m. This will be the second such experimental service for families, in an informal setting.

Homestead II is a democratically organized camp in Denmark, Maine in which the campers participate in the decision making process. Mr. Ertha, a negro, will present an adaptation of Southern spiritual sermons and songs.

Everyone is cordially welcome.

Special Service At Temple

On Friday evening, March 5, at 8 p.m., Temple Emanuel of Merrimack Valley, 101 West Forest St., Lowell, will hold a special "pre-Purim" service.

The holiday of Purim, celebrated on March 11, honors the heroism of Esther, the Persian Jewess, who saved her people from destruction. In accordance with this, the service will be conducted by outstanding women in the congregation, among whom will be the Mesdames Philip Goldman and Ed-

ward Lupinsky of Lowell; Sidney Rubin and Milton Greenberg of Andover; Mrs. Leon Kropp of North Andover; Mrs. Donald Ber- man and Charles Cohen of Chelms- ford; Mrs. Arthur Rubinfeld of Tewksbury; Mrs. George Dektor of Pelham, N.H.; Mrs. Ernest Goldberg of Westford; Mrs. Wil- fred Forden of Acton and Mrs. Roger Appell of Bedford.

This holiday is also noted as a children's festival and the service includes such delights for youngsters as noise-makers, special sweets and other sur- prises. The ladies of the congre- gation will provide home-made "Hamantashen" -- a sweet pastry, baked in a three-cornered shape, and filled with prune, poppyseed, or fruit -- which is traditional to the festival of Purim.

Rabbi S. Daniel Breslauer invites the young and young at heart to join in this spirited cele- bration.

Checks and the single girl.

Actually, whether you're single, married or some- where in between is no business of ours. We still offer checking accounts with no service charge -- and \$100 minimum bal- ance. And in the case of over 65's and qualified college students -- we waive the minimum.

Look for the bank with the big blue M.

Hospital In Need Of Volunteers

There is a demand for volunteer workers for the Recreational Therapy service at the Lawrence General Hospital.

The therapy service involves the circulation of a patient recreation cart. On the cart are a variety of handicrafts, puzzles, knitting, and many easy to do items.

The therapy service relies on volunteer contributions of time and materials. Anyone interested in working with the therapy unit should contact Mrs. John Richards, II, 80 Bartlett St.

Sisterhood Meets Tuesday

The next regular meeting of the Sisterhood of Temple Emanuel of Lawrence will be held on Tuesday, March 9th at noon. Luncheon will be served in the Temple Auditorium.

Rabbi Harry A. Roth and A. J. Anderson, assistant-professor at Simmons College will review Saul Bellow's latest book "Mr. Sammler's Planet." An open discussion will follow.

Furn-Expo "71"

featuring

The Studio Shoppe

FURN-EXPO "71"

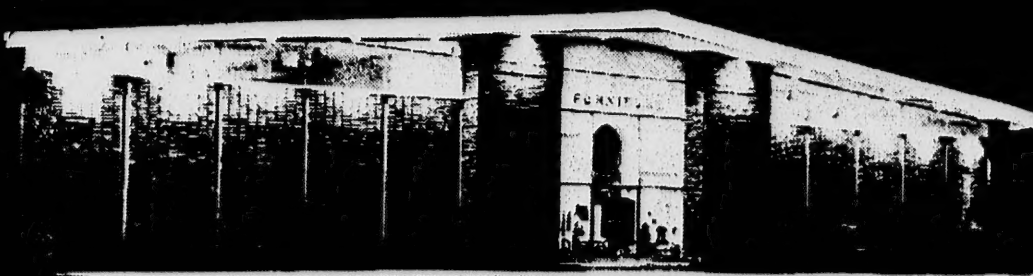

We are happy to announce that The Studio Shoppe was asked to design and present the "feature home furnishings exhibit" at the NEW ENGLAND HOME SHOW starting Saturday, March 6th.

Furn-Expo "71" we're calling it and we have many exciting, new ideas in furniture technology for your viewing. We'll show you a \$50,000 room, the latest in hand-painted primitive pine furniture, zebra wood wall paneling, an authentic Spanish setting, the most progressive European and American injection molded plastic and fiberglass furniture, Allied Chemical's new Carpet-Fiber with guarantee against wear, and for the budget-minded, a secret: (All show pieces will be sold at a huge savings!)

All Boston is talking about us and so will you . . . Limited number of tickets at half price can be procured here at the store on a first-come, first-served basis.

TOWN MEETING

(Continued from Page One)

that the school department increase in its budget for 1971 totals \$917,280.

The municipal budget has increased \$670,366 over 1970, mostly due to increased personnel and salary adjustments. The figure

also includes the town's bonded indebtedness payments for 1971 totaling \$161,188.

Sure to arouse some discussion is the FinCom disapproval of transferring funds from the general account to the Conservation Commission. The money has been received from state authorities through a self-help program,

in which the state contributes to land obtained for conservation purposes.

The commission wants the funds for its own use, to be expended only with the approval of the selectmen. The FinCom feels that transfer of the funds would jeopardize the town's free cash account as well as the tax rate.

The FinCom has rejected an article proposed by the school committee for planning funds for an addition to the senior high school.

The FinCom in disapproving the \$70,000 request stated that it feels there is sufficient space not now

being utilized at the high school, thus an addition is not warranted.

Footings for an addition are already in at the school, having been placed when the building was originally built.

Also disapproved is an \$80,000 request for elimination of the Ballardvale sewer treatment plant. The town had sponsored an article in this regard but voted to withdraw it for this year.

Private citizens, however, have inserted an article and this has received FinCom disapproval.

Two articles inserted by the police department, one establishing a salary schedule and another dealing with number of days off, have been disapproved, the FinCom feeling both articles are in violation of the town meeting charter.

There will be a special town meeting within the town meeting to consider three articles.

This will take place on Monday, March 15, when voters will be asked to approve \$35,000 in planning funds for renovation and possible addition to town hall, \$18,000 for renovation of Stowe school for school administrative offices, and rezoning of a parcel of land off River Road.

PATTULLO

(Continued from Page One)

list which also contained the names of Sgt. Alfred M. Robb and Patrolman Jacob Jacobson.

Three additional patrolmen will also be appointed following town meeting, and there will be a sergeant vacancy once Pattullo moves up.

Mrs. Lyman Bullard

Driver Education Planned

The North Andover - Andover Parents' League again is sponsoring a complete drivers' education course in a compressed time period, at the lowest rate in the area, for youngsters in the Andover - North Andover communities. The course will be held at Andover High School.

The Parents' League Drivers' Ed course is open to all area young people whose 16th birthday occurs by June, if their families are now Parents' League members, or would like to join at this time to take advantage of the low rate and convenient scheduling. Parents' League fees are nominal.

The course is compressed into only three weeks, and is divided into two sessions. The first session of classroom work runs from March 22 - 26, Monday through Friday afternoons. This is a vacation week for most students now away at school, so that they, as well as students at our local schools, can take advantage of the course. Since the course will be held after school, at the high school, it does not interfere with classes and is convenient for students there who have not yet been able to fit drivers' ed into their school schedules.

The second session, comprising classroom work, driving observation and actual driving time, will run from June 14 through 25, again Mondays through Fridays, with the classtime scheduled after high school hours.

The purpose of the Parents' League is to strengthen relationships among the parents, children, schools and community by evaluation of contemporary thinking on education and behavior, information and services on cultural, recreational and service opportunities, and teenage summer job opportunities.

Any family interested in joining the Parents' League Drivers' Ed course should contact Mrs. Lyman Bullard, 475-2813, as soon as possible, to obtain space in the course.

The first paper money was issued by the U.S. government on March 10, 1862.

Troop 75 Views Coin Collection

Troop 75 held dubbing-in ceremony for the following Tenderfoot scouts at last Friday's meeting: Kevin Kenney, Jon Staid and David Stein.

Also, J. Robert Mundry of Methuen gave an interesting and informative discussion and showing of his private coin collection. Mr. Mundry pointed out the various aspects of merit badge coin collecting which the boys should heed

in order to get together their own collection to pass the merit badge requirements. Troop 75 wishes to publicly thank Mr. Mundry for the giving of his time toward scout advancement in the merit badge field.

At future meetings judo demonstrations, stamp collecting, as well as other interesting merit badge discussions, will be held. All scouts are reminded to attend each meeting, if possible.

The new Federal Environmental Protection Agency will establish and enforce antipollution standards, administer financial grants and technical aid, conduct research and help develop a national environmental policy, according to the Massachusetts Audubon Society.

66 MAIN ST. • ANDOVER • 475-1006

TOWN OF ANDOVER MASSACHUSETTS 01810

February 23, 1971

Town Hall
20 Main Street

TO THE CITIZENS OF ANDOVER:

Time has a way of marching on. This year, on May 6th, the Town of Andover will be celebrating the 325th Anniversary of its incorporation. When you look at this strictly from the viewpoint of age, it is not exactly a notable achievement because the passage of time itself is something over which we have no control - the same amount of hours is given to each living creature each day. What really counts is what is done with those hours, days, months and years; and from that viewpoint I believe Andover can claim a notable achievement.

Time has a way of changing things. What do you think would happen if by some strange power we were able to place in our midst some of the early settlers and inhabitants of Andover instead of about 600, or when they see their favorite streams so polluted that even the fish have difficulty surviving, or when they first take a deep breath of what we now call fresh air, or when they try to criss-cross Main Street on a busy Saturday afternoon, or try to cross Interstate 93 to get to their favorite hunting areas? It is only conjecture, but I have a feeling many of them would thank us for the brief inspection trip and then dive back into the comparative safety of their primitive settlements. On the other hand, if we of today were transplanted back into their environment of 1646 and expected to adapt to their way of living, our reaction would be as swift and decisive.

Which all goes to say that to each generation is given the privilege and responsibility of creating and maintaining the kind of environment which they consider desirable for their times. For as long as many of us can remember, Andover has been known as a first-class residential community, a good place in which to live, to work and raise a family. May this always be our goal, regardless of what other changes may be necessary to adjust to the educational, scientific and moralistic revolutions that are a part of our present generation.

It is quite proper that you should look to your elected and appointed officials for leadership in planning for the future, but they would be the first to acknowledge that they cannot do the entire job alone. We urge every citizen to take an increasingly active part in Town affairs with the object of making a contribution for good. There is plenty of work for all to do, and no one need sit idly by, or on the mourner's bench or in the seat of the scornful.

As we look forward with great expectations to 1971 and beyond, perhaps it would be well to paraphrase the pledge of allegiance to the flag, and pledge ourselves that working together we will make Andover:

"One community, under God, dedicated to freedom and justice for all."

Bottle Ban On Agenda

Shall non-returnable bottles be banned in Andover? That question will be debated at the March 5 program of the People's Choice Coffee House.

People's Choice meets at 8:30 p.m. at the Unitarian Universalist Church in Andover.

Speaking in support of this proposition, will be Ellis L. Yochelson of Bowie, Md. He is a biologist with the U. S. Geological Survey, Dept. of the Interior and resident of Bowie, Md. and he won national recognition for his efforts in leading that community to be the first in the nation to outlaw the sale of beverages in non-returnable containers.

Speaking in opposition will be Mr. George Price, president of the Mass. Bottlers Association, and V.P. and General Manager of the Pepsi-Cola Bottling Co. of Lynn.

This question takes on local significance, because Article 62 of the 1971 Andover town meeting warrant calls for adoption legislation like that in Bowie, Md. Thomas Cone, biology and ecology teacher at Phillips Academy, will moderate this debate and discussion.

People's Choice is an adult program oriented coffee house to which older teen age youth are welcome. A modest donation is requested to help cover on-going expenses of promotions and programs development. The public is invited.

Spaghetti Supper Is Planned

St. Augustine's Mothers Guild of Andover is planning a Spaghetti Supper to be held in the school hall on Saturday evening March 20, from 4 to 7:30 p.m. Proceeds will benefit the school.

Tickets may be purchased from the co-chairmen Mrs. John Harrigan, Mrs. Arthur Jowett or any member of the following committee - Mrs. Richard Aumais, Mrs. John Cahill, Mrs. Robert Flannery, Mrs. James Fox, Mrs. Leroy Hoffman, Mrs. George Holbrook, Mrs. Cornelius McLarney, Mrs. Andre Paradis, Mrs. Norman Paris, Mrs. William Pittochelli, Mrs. Robert Scanlon, Mrs. Robert Park, Mrs. Frank Sambucco, Mrs. Raymond Bolduc, Mrs. Charles Fleming, Mrs. Pierre LeMieux and Mrs. James Caseldon.

PRESENTATION. Joseph F. Vinceguera, left, 9 William St., recently presented a bust of the late President John F. Kennedy to Memorial Hall library. Harry Sagris, director of the library is shown accepting the gift.

Academy Groups Join In Drama

The "Play of Daniel," a 13th Century musical drama, will be presented by the music departments of Phillips and Abbot Academies, March 7 at 5 p.m., in Cochran Chapel on the Phillips campus. The performance will be open to the public without charge.

The Biblical story will be unfolded by a narrator, with the assistance of individual singer-actors and a chorus. The singers will be furnished by the Phillips Chorus and the Abbot Fidelio, with the Abbot a cappella Chorus.

The characters will be identified through the use of props that have been adapted from 13th Century drawings. The play was created by young people of Beauvais. It was presented for the first time in this country at the Cloisters in New York City by the New York Pro Musica in 1958.

Carl E. Krumpke, Jr., of Phillips will be the dramatic director and William Schneider of Phillips and Rowland Sturges of Abbot musical directors.

Championship Games Played

By Frank Monette

In Saturday's action in the Andover YMCA Basketball League, the Tigers from the Voke-Tech, Pee-Wee Division topped the Cougars of the Y Pee-Wee Division for the overall Pee-Wee Championship by the score of 31-9.

The Tigers finished the season with a fine 11-1 record as the Cougars ended with an overall 11-2 record. The Tigers were led by Bob Zwicker's 14 points, as Capt. Geoffrey Bragdon slipped in 7 points, Brian Bresnahan 6 points, and Rick Heislein 4 points. The Championship club was coached by George Bragdon. The Runnerup Cougars were led by Jim Arnold's 5 points, Capt. Kevin Muldoon and Richard O'Hara's 2 points each. The Cougars were coached by Jim Reinker.

In consolation games in the Pee-Wee Division, the Pintos from the Voke-Tech, breezed by the Lions from the Y 22-4. The Pintos were led by Eddy Collin's 9 points, Capt. Dave Farrell and Ted Paris 6 points each and 1 point from Frank Pelletier. The Lions were led by Andy Sambuco's 3 points and Andy Socha's 1 point charity toss.

The Bears won by forfeit over the Rams as Capt. Mark Brennan, Will Washburn and Tim Tiernan each scored 4 points in a no-contest game and Willy Nikonchuk had 2 points for the losers.

In the final Pee-Wee consolation game the Broncos from the Voke-Tech gym scampers past the Rhinos of the Y gym 26-6, as Capt. John McEwen poured in 14 points, Kevin Fogarty swished 8 points and Dave Smith, Tim Cronin and Vincent Nikonchuk each scored a 2 pointer. The Rhino's 6 points were all scored by Dean Russell.

In the Junior Division, USC won the crown by defeating a tough Ohio State team 26-17. After the 1st quarter ended, the score read 6-6, at the half USC led 9-8, after 3 quarters of play Ohio State led 17-15. The last quarter was dominated by USC as they out-scored Ohio State 11-0, as two key players fouled out midway through the final quarter for Ohio State with USC on top by 3 points at the time. The champion USC team, 11-1 on the season, and 14-2 over all in out of Y competition was led by Capt. Jay Doherty's 14 points, Labeeb Abboud 6 points, Fred Rau, Neil Rosenberg and John Steen's 2 pointers apiece. The USC champs were coached by Frank Monette. The runnerup Ohio State team, 9-3 record on the season, was led by Dan Billings' 9 points, Capt. Richard Rosetti 4 points, Mark Conlon and Ray Rau 2 points each.

In the Intermediate Division, the Pistons won the championship with a 10-3 record in a very close match with the Knicks who ended with a 7-6 record. The score was Pistons 33 and Knicks 27. Leading the champs was Capt. Steve Brody with 10 points, Paul Connolly 9 points, Mark Travis and Jeff Berenson 4 points each, Tom Kenney, John Paris and Brian La-Pointe 2 points apiece, with Capt. Bart Farrell rounding out the club. The championship Pistons team was coached by Arthur Nichols and Scott White. The runnerup Knicks

were led by Bob Murgia's 11 points, Capt. Dave Lockwood 10 points, Capt. Tim Lannon 4 points, Bob Peterson 2 points. The Knicks were coached by Charles Conlon.

The season will come to a close next week with All-Star games and awards program in which everybody is expected and urged to participate. The program will begin at 1 p.m. at the Voke-Tech gym. All boys in the Midget Division are to attend (8 year olds) as they will participate in an All-Star game at 1 p.m.

The following boys are on the various All-Star Teams in their respective divisions:

Pee-Wee Y All-Stars -- Kevin Muldoon, Marty Solomon, Richard and Chris O'Hara, Jim Arnold, Brian Detrick, Andy Sambuco, Andy Socha, Dean Russell, Tim Stevens, Will Washburn, Mark Brennan, Coaches, Jim Reinker and Bob Winne.

Pee-Wee Voke-Tech. All-Stars -- Geoffrey Bragdon, Bob Zwicker, Brian Bresnahan, Dave Farrell, Eddy Collins, Ted Paris, Chris Martha, Brian Bronson, John McEwen, Kevin Fogarty, Willy Nikonchuk, Coaches George Bragdon and Joe Rosetti.

Junior Division East Stars -- Jay Doherty, Fred Rau, Labeeb Abboud, Mark Shionis, Steve Galvin, Dave Mirisola, Brian Twomey, Dave Bronson, Scott Hammar, Paul Rosetti, Dave Rosenberg, Paul VanSacken, Coaches Frank Monette, Art Nichols and Scott White.

Junior Division West Stars -- Richard Rosetti, Dan Billings, Mark Conlon, Tom Duffy, Mitchell Rousseau, Daryl Gustafson, Jay Martha, Gerry Cox, George Bragdon, Earl Eddy, Dwight Jacobsen, Mike Issenberg, Coaches Charles Conlon and Ed McGann.

Intermediate Division East Stars -- Barry Bronson, Bart Farrell, Steve Brody, Jeff Sheehy, Dave Lockwood, Bob Gildea, Gregg Winn, Coaches Art Nichols, Scott White and Jim Gildea.

Intermediate Division West Stars -- Bill DeLuca, Tim Lannon,

Bob Murgia, Tom Kenney, Brian Ahern, Mark Travis, Pat Fay, Mark Hammar, Coaches Charles Conlon and Allan Kenney.

TAC Group Praised For Concert

Only praise follows in the wake of the "Seatrains" rock concert which the Teenage Adult Collaborative sponsored for Andover young people Sunday at the high school gym.

The audience of 800 showed complete enthusiasm for Seatrain's music, and the nationally known five-member rock group responded to their appreciation with long encores, and later said "Andover was a good an audience as we've had anywhere, anytime."

Andover police who were helped in the parking lot by teenagers from TAC and Project Care, the hotline for youth problems, commented that behavior at the concert was excellent, and the whole cooperative event ran "just the way we like it."

"A complete and utter success" is the happy judgment of the Teenage Adult Collaborative, as far as their objectives of successfully planning and pulling off their first action-type activity together, promoting youth-adult cooperation, and providing a smooth-run top-flight recreational and social event for Andover young people.

TAC, made up of town officials and community leaders, and an

equal number of young people in Andover's three high schools, is concerned that Andover provides little in entertainment and places to go for its young people. The rock concert was one big single event to help fill this vacuum along with Saturday night coffee houses at Free Church.

Financially, TAC cleared expenses and made \$34.43 -- not enough to spread over even one of the causes they hoped to benefit -- their own expenses, Project Care, the youth problems hotline, and something for the Student Activity Center's renovation project. But TAC-member Mrs. Joyce Andrews pointed out that their other objectives were beautifully met. TAC preferred to break even with a fine musical group which the young people could honestly promote to other students.

The audience was almost all from the public schools, and TAC members noted for future events PA Associate dean Carroll Bailey's voice of experience -- "Near the end of a term, boarding school students attendance at paid events drops off because they have run out of money. And it's just before their exams."

Summing up the TAC concert, was Andover's Student Activity Center advisor James Carroll.

"You really have to give TAC credit. They put on a fine entertainment for the young people. The kids did a good job promoting it, and everyone was well behaved."

PIANO and ORGAN SERVICE CENTER

INSTANT PIANO COURSE
RECOMMENDED FOR ADULTS

They got a really good group. If you're going to do a thing, you ought to do it the classy way. They did."

What did the TAC adults think of the music? Said Mrs. Andrews: "Most of us had never been to a rock concert before; it was put on for the kids on the basis that this music would mean a lot to them. But it was great. We really enjoyed it."

World Day Of Prayer Observance

The Church Women United of Andover will join in prayer with women around the world on March 5 at 1 p.m. at Christ Episcopal Church as they celebrate World Day of Prayer.

Guest speaker will be Rev. Donald B. Myrom, newly installed pastor of the Faith Lutheran Church.

Mrs. David Harmoning of the West Parish Church will lead the program "New Life Awaits."

A coffee fellowship will follow the program. Baby sitting will be provided at the South Church.

Battle For Top In Church League

By Rick Harrison

Two key developments highlighted Andover Church Basketball League action last weekend at the East Junior High gym.

In the Junior Division, both St. Robert's A and defending champ West Parish A won to set the stage for the biggest Junior game of the year tomorrow night. In that all-important clash at 6:45 p.m., first-place St. Robert's A puts its 9-0 record on the line against West Parish A (8-1).

In the Intermediate Division, South Church went down to a sound defeat to hand unbeaten West Parish 2 its third consecutive championship in this division. West 2 is 7-0, and South is now 5-2 with only one game remaining.

Regular season action concludes tomorrow night at the East Junior High gym (6:15-9 p.m.), with a full nine-game card listed. A Junior Division playoff is possible, depending upon the outcome of the St. Robert's-West Parish result.

Following tomorrow's action, the annual foul-shooting contest and three All-Star games will be on tap for Friday, March 12. The league concludes all activities on

March 22 with the banquet and awards ceremonies.

JUNIOR DIVISION - In its biggest test for quite some time, undefeated St. Robert's A easily handled fourth-place St. Augustine B by a 16-0 score.

The winners led 8-0 at the half, and after a scoreless third quarter, St. Robert's A pumped through eight more fourth-period points.

Brent Goldstein crinkled the cords for 8 points to spark the victors, while big Bobby Murray stuffed 4 points and Scotty Goldstein had 4 points.

Tommy Saunders, Todd Orlando and Owen Keegan turned in excellent all-around efforts for the league-leaders.

St. Augustine B, which had a four-game win streak snapped, was paced by Glenn Lefebvre, Dave Farrell, Danny Bolduc and Bill Walsh.

West Parish A captured its 52nd victory in the last 54 games the easy way, by posting a 2-0 forfeit triumph over Christ Church. The champs will be attempting to force a two or three-way playoff tomorrow night, with hopes of eventually winning their third title in four years.

St. Robert's B remained in a tie with West A for second place, winning its sixth straight by a 9-2 count over St. Augustine A.

The victors, now 8-1, poured in eight first-quarter points and then coasted home. With Tri-Capt. Mitch Rousseau and Kris

Larson sidelined, Tri-Capt. Billy Maguire picked up the scoring slack by canning 6 points for St. Robert's B.

Allen Beaumier scooped in 3 points to complete the scoring, while Scott and Greg Praetz, Vinnie Keegan and Dean LaFitte also excelled.

Mike Malindrino twisted the twine for 2 points to guide the St. Augustine A attack. Other sparkplugs were Charlie Wiseman, Mark Bedell, Dan Caselden, Jay Dilorio and Tommy Busta.

West Parish B snapped Baptist's three-game win streak with a 10-4 triumph. West B (5-4) moved out to a 6-2 halftime edge and was never headed. The well-balanced charge was led by John McEwen, who gunned in 4 points. Glen Brody, Joel Smith and Andy Campbell all banked in 2 points to round out the attack.

Dave Bradner, Pete Newton, Gene Harris and Jeff Myers also starred for the winners.

Kevin Fogarty found the range for all 4 Baptist markers, but he had plenty of defensive support from Rick and Ed Collins, Eric Blake and Dave LaFleur.

In the final Junior match, South Church broke a brief scoring slump with a 16-9 conquest of Free Church.

Big Alan Gould dipper-dunked 12 key points to power the winners, while Mark Howe and Scotty Cochran added solo buckets for South. Mini-man John Sagaser, Doug Taylor, Jim Gardner and Dave Yagmoorian also did well.

Free, also coming up with its top point output of the season, had Dave Wilson pouring in 7 points and John Franz popping for 2 points. Eric Frederickson, Dave Stanwood and Jonathan VanDerZee zipped all over the court to turn in exceptional floor games in a losing cause.

Intermediate Division -- While West Parish 2 was idle it was also winning the title, as St. Robert's 1 blasted second-place South Church, 46-18.

Missing its big gun and division scoring leader Paul Hoffman, South fell behind 14-6 after one period, 25-12 at the half and 33-12 after three cantos.

Miles Coates and Mark Holt shared game-high scoring honors for St. Robert's 1 (4-3), as both dropped in 16 points. Ed Orlando also hit twin digits by parting the strings for 12 points, and Ken LaFleur canned one bucket in the final quarter.

For the second straight week, Paul "Pop-shot" Maguire dribbled under, around and through his taller opponents and fired in 8 points for South. Young Paul also controlled the offense, and contributed several defensive steals in a fine all-around effort.

Bill Hocknell chipped in with 6 points for the losers, while Dana Gould and Mark Davis hooped 2 points apiece. Steve Porter

sparkled defensively.

St. Augustine 2 moved into a two-way tie with South for second place by burying Free Church, 48-15.

After trailing 5-4 at the close of the first quarter, the victors built up a 29-11 halftime edge.

Bob Messersmith spearheaded the St. Augustine 2 quintet by rifling through 17 points. Barry Bronson slipped into double figures for the second straight game with 12 points. Lefty Glenn Verrette nestled the nets for 7 points, Dave Hajj and Mark Moriarty pumped in 4 points apiece, Mark Costello had 2 points and Bob Peterson 2 points.

Mark Hammar collected 6 markers, Scott Hammar 4 points, Jack Manning 2 points, Mark Hamilton 2 points and Steve Bradford swished a charity toss for Free. Dirk Vondell and Scotty Franz also played well.

Christ Church lifted its ledger to 4-3 by dumping under-manned West Parish 1, 32-24.

Dandy Dave Lockwood scored 14 points, and paced a fourth-quarter spurt by the winners that broke open a tight 20-19 contest. Ed Fleisher stuffed 10 points and Belanger added 8 markers for Christ Church.

Dave Coulthard, who had 18 points last week, tossed in 14 more this week. Louis Fisk played another outstanding game with 9 points, and Mike Syiek completed the West 1 scoring attack with a free throw. Darel Myers and Tom Comparato chipped in with several steals and rebounds for the losers.

The final Intermediate tilt saw St. Augustine 1 deal St. Robert's 2 a 26-24 setback in overtime.

For the winners, now 4-3, Mike Mulligan gunned in 8 points, John Zemis 7 points, Eddie Caselden 6 points, Kurt Reming 3 points and John Fox swished 2 markers. Paul Rindone and Mark Dilorio also starred.

John Carroll ignited the losers with 8 points. Don McDonald, Tom Geary and John Bohl each dunked 4 points, while Joe Carroll and Larry Weitz had 2 string-snappers apiece.

Tomorrow's regular season-ending schedule follows:

Junior Division -- St. Augustine B vs. Free, and St. Augustine C vs. West Parish B at 6:15 p.m.; St. Robert's A vs. West Parish A and St. Robert's B vs. Christ Church at 6:45 p.m.; South vs. Baptist at 7:15 p.m.

Intermediate Division -- St. Augustine 2 vs. St. Augustine 1 at 7:30 p.m.; St. Robert's 1 vs. Christ Church at 7:45 p.m.; Free vs. West 1 at 8:15 p.m., and South vs. West 2 at 8:30 p.m.

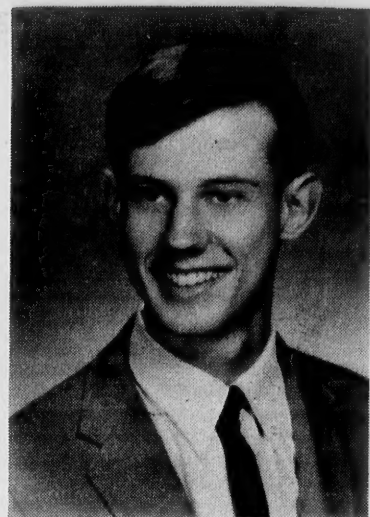

The league standings follow:
Junior Division -- St. Robert's A, 9-0; West Parish A, 8-1; St. Robert's B, 8-1; St. Augustine B, 6-3; West Parish B, 5-4; Baptist, 4-5; St. Augustine C, 4-5; South, 3-6; Christ Church, 1-8; Free, 1-8; St. Augustine A, 1-9.

Intermediate Division -- West Parish 2, 7-0; St. Augustine 2, 5-2; South, 5-2; St. Robert's 1, 4-3; Christ Church, 4-3; St. Augustine 1, 4-3; West Parish 1, 2-5; St. Robert's 2, 1-7; Free, 0-7.

Drama Group Meets

The Drama Department of the November Club will meet at the club house, Locke Street, to hear Books of the Theatre reviewed by the Andover Book Store on March 10 at 2 p.m.

Tea hostess for the day will be Mrs. Dixon Penick, assisted by Mrs. Lyman Appleton, Mrs. Joseph Smethurst and Mrs. Manfred Jones.

Donald R. Peterson

Peterson En Route To Vietnam

A 1st C Donald R. Peterson, son of Mr. and Mrs. Elmer O. Peterson, Hoyt Road, Gilford, N.H., former residents of Andover, is now undergoing combat training at Lackland AFB, Texas.

After completing his basic training as a security policeman at the same base, he was stationed at Richards-Gebaur AFB, Missouri.

After his marriage in June to Kathleen M. Gowen, they traveled out to Missouri. Airman Peterson and his wife just spent a month's leave in the area before his departure for Texas.

He will now be stationed at Phan Rang AFB in Vietnam and his wife will reside with his sister in Andover during this time.

Dr. O'Shea To Address Shawsheen PTO

The Shawsheen P.T.O. invites the public to its meeting on Wednesday, March 10, 8 p.m., in the Shawsheen School Library.

Dr. James O'Shea, Andover physician, Chairman of the Committee on School Health -- Essex Medical Society, well known for his work with youth in Reality, Inc., TAC, and as pioneer of recent drug rehabilitation legislation; will speak on "Discipline in Today's Society."

Informal group discussions, involving the Guidance Counsellor Team and teachers and parents will follow. So, if you are "parents on the run", or yours is a "strong family"; if you are an advocate of "permissiveness in the school and home", or in favor of the "hickory stick approach"; join this concerned group. This is the place to be if you are confused about discipline in school and home, and are seeking constructive answers.

Summation and analysis of the groups findings by the Guidance Team and Dr. O'Shea will complete the program.

Gym Exhibition

The Andover High School gym team, boys and girls, under the direction of coaches, Mrs. Sue Shaw and Ken Jen-Lee will entertain the pupils at the Marsh Corner school in Methuen with a gymnastic demonstration. This group has already presented similar demonstrations at the Shawsheen school and the Central school.

Memorial Hall Library

William Arnold

Staff

Do you ever stop to think what it's like in a large public building after the people go home at night? Is it lonely in the library after nine at night or do the books provide company as the floors are being polished and the shelves dusted? William Arnold, night custodian at Memorial Hall Library, can give you the answers. He has been full-time evening custodian since August of 1966. Before that Bill was employed for six years as part-time daytime custodian. He enjoys the night work, he says, because it gives him time to do his favorite thing, gardening, during the daytime. Mr. Arnold's skill with shrubs and plants is evident from the display of flowers and flowering shrubs on the grounds of the library.

Before coming to Memorial Hall Library Mr. Arnold had an interesting series of jobs, all of which allowed him to be in the out-of-doors. At age fourteen in the winter of 1920-21 he drove oxen to roll the roads in Fryeburg, Maine. During World War II he worked in the shipyards as a second class fitter in South Portland, Maine. He has cut timber in the woods of Maine many times. Bill likes to spend his vacations doing woodworking projects around home with time out now and then to go to a Red Sox game or to visit his friends in Maine.

Talking Books

The library now can offer the use of a record player and talking book records to persons with failing eyesight, disability of any kind that prevents holding a book, or to persons with multiple sclerosis. Please call the library if you wish to borrow these items, or know of someone who would.

Calendars

Memorial Hall Library wishes to remind you of the Community Calendar which is available for use by all town organizations. There are some church fairs already listed on the calendar for the fall. Check with the library before you establish your project or meeting date.

The Committee on Education and Publicity, part of Andover Ecology Action, also wishes to remind you that any event planned for the month of April in the field of ecology can have free publicity and be included in the committee's brochure which will be published the last week in March. Ask for Mrs. Ashton Smith when you report your club activity for ecology.

Red Cross

The library is proud to cooperate with the Andover chapter of the Red Cross in its commemorative display for Red Cross Month. The posters hanging in Memorial Hall Library this month were made by the art students of Sister Madeleine of St. Augustine's school. Her students in the 7th and 8th grades designed and made the posters.

Second Time

The library will sponsor a second photography contest during April, Ecology month. A successful program was held last year, and it is expected that even more interest will be developed this year. Any High School student may enter one section of the contest and any adult out of school may enter the second section. All photos submitted must be in black and white and must be 8 and a half by 11 inches. Final date for submitting photo at Memorial Hall Library is April 10. Judges will make their choices in each division and winners will be announced the first day of National Library Week, April 19th. Monetary rewards will be given for first, second and third prizes in high school and adult sections of the contest.

Lenten Services Offered

Special services and programs have been announced by the South Church, for the Lenten period to which the general public is invited.

In addition to the regular Sunday morning services of Worship a series of informal and experimental services at 9 a.m. are being sponsored by the Church Diaconate in Fellowship Hall. Through innovative and contemporary media it is hoped that worship may find significant expression that will be meaningful especially to the younger age groups.

At the regular Sunday services of worship at 10 a.m., Rev. Mr. Rodge, the senior minister, is delivering a series of sermons on the parable of the Prodigal Son, entitled "Our Prodigal Sonship." The sacrament of Holy Communion will be celebrated on March 7 and also on Maundy Thursday evening.

The South Church Forum held each Sunday at 11:15 a.m. will present on March 7, Mr. Jose de Jesus, a dynamic speaker who will deal with his unique experiences in the handling of the drug problem. During the next four Sundays, March 14 through April 4, Rev. Dr. Henry Suld of Merrimack College will conduct a series entitled "Hindu-Buddhist Tradition and Its Influence on Christianity."

Uncle Tom's Cabin, written by Harriet Beecher Stowe was first published March 20, 1852.

To those who pay cash for a car we offer congratulations.

To those who don't we offer cash — on the condition that you pay us back.

Mrs. John Dyer

Dyer - Valpey

Bouquets of white carnations were on the altar of St. Paul's Episcopal Church in North Andover Saturday afternoon, Feb. 27, when Miss Jane Parker Valpey, daughter of Mrs. Robert Wheatley of North Andover and Mr. Daniel P. Valpey of Andover, was married to Mr. John Hamilton Dyer, son of Mr. and Mrs. Volney A. Dyer of Brunswick, Maine. The Rev. Alexander S. Twombly officiated at the 2 o'clock ceremony, which was followed by a reception at the Andover Country Club.

Given in marriage by her father, the bride wore an Empire-style gown of ivory brocade, fashioned with long pointed sleeves, seed pearls and crystal beading forming the high collar, an A-line skirt and chapel train. Her full length veil was of ivory illusion tulle.

Miss Janna L. Valpey of Andover was maid of honor, wearing a green velvet gown with cream-colored satin inset on the bodice and the cuffs of the long sleeves, and carrying a single long-stemmed white rose. Identically dressed, the bridesmaids were Mrs. Robert Ewell of Oakland, Maine, Mrs. Thomas Gage of Brookline, Miss Lois Nolan of Peabody and Gina Bousum of Scituate as junior bridesmaid.

Best man was Mr. Charles G. Dyer of Manchester. Ushers were Mr. Robert Butterbrodt of Watertown, South Dakota, Mr. Erik Petterson of Milford, N.H., Mr. Robert Venturi of Boston, Mr. Karl Hentz of Salem, N.H., Mr. Philip D. Valpey and Peter F. Valpey, both of North Andover.

The bride was graduated from the Robie School and the John Robert Powers School. Her husband was graduated from Rensselaer Polytechnic Institute and is a lieutenant in the Naval Reserve. After a wedding trip

to Hawaii, Mr. and Mrs. Dyer will live in Windham, N.H.

St. Patrick's Dance Set For Center

The Christian Formation Center, River Road, will sponsor a St. Patrick's Day dance for adults on Saturday, March 13, from 8 p.m. to 12. In sponsoring this social event, the Franciscan Friars who staff the Center, hope to provide an opportunity for adults to enjoy a congenial and fun-filled evening with friends in pleasant surroundings.

The Christian Formation Center is dedicated to serve people in a social, spiritual and educational capacity. Since opening its doors in 1968, many successful programs have been conducted for youth and adults. Proceeds from this event will contribute towards the support of the spiritual programs conducted at the Center.

The music of the Merry Makers from Lowell will be featured. Snacks and refreshments will be available throughout the evening.

Tickets may be purchased at the Center during the day or at the door on the evening of the dance.

Thomas Edison was born Feb. 11, 1847.

NEW POLLING PLACE. Voters in precinct four cast ballots in a new location on Monday. The spacious West school addition was used for the first time, making it more convenient for voters.

School Vacation Date Set

The April public school vacation will begin after school on Friday, April 16, and end when school recommences Monday morning, April 22, according to the school department.

The school's central office has received many questioning calls from mothers, on this. Presumably it is to find out what week the kids will be tracking in mud from the Shawsheen River and the ball field all day long, so spring housecleaning can be scheduled afterwards, not before.

But there is a deeper significance for holiday watchers. The school vacation always encompasses Patriots' Day - April 19, - to celebrate Paul Revere's famous ride.

This means that April 19 this year will be celebrated on April

19, of all things! Patriots rejoice!

Revere's compatriot, George Washington, was in danger of an identity crisis when the state and nation let his birthday candles closer to Lincoln's birthday than his own.

Lucky Paul to be on schedule! Think what would happen if Revere's horse were saddled and waiting a week early. No lights at all in the belfry? Worse still, if the North Church were all lit up with the signal, and Revere rode out to give the Middlesex farmers a false alarm. He wouldn't have been any hero to them!

It's nothing to joke about. Next year it's going to happen. Patriot's Day in 1972 will be on April 17. Phooey!

Friendly Guild Meets Monday

The Friendly Guild of Christ church will meet on Monday, March 8 at 7:45 p.m. in the meeting room.

Following a business meeting, Elsie Mowat, vice president, will give a talk on The Reading Circle for the Blind.

For Those Of Us Who Are Older

There are still a few seats left on the bus for the trip to Manchester and the "88" Restaurant, scheduled for Thursday, March 11. The bus will leave The Haven at 10:30 and round trip transportation will cost \$1.40. Reservations are required and may still be made at The Haven, 15 Barnard St. Any Andover resident over 60 is invited to come.

The next in the movie series put on for senior citizens is scheduled for Thursday, March 18, at two o'clock at the Baptist Church. Sponsors of the series are the Memorial Hall Library, who are presenting the series at the Baptist Church so that viewers will not have to climb stairs. Extra thanks to the Baptist Church for the use of their facilities.

Jazz Concert By Local Group

Hart Leavitt and His Righteous Jazz Band will offer a concert of New Orleans and Chicago music of the pre-rock era, March 6, from 9 to 10 p.m. in George Washington Hall at Phillips Academy. The public is welcome without charge.

Except for one Harvard student, members of the band are all over 30, including Dr. Norman Stowell, who will play bass.

The U.S. Military Academy at West Point was established March 16, 1802.

All Schools Concert On Weekend

The annual All School Concert, presented by the Music Department of the Andover School System, will be presented on two consecutive evenings, March 5 and March 6 at 7:45 in the West Junior High School Auditorium.

Over five hundred and fifty students of all levels will perform vocal and instrumental music.

Town Meeting

Andover voters have the opportunity, beginning Monday night, to carve for themselves, what it will cost to be a resident of the town for the next year.

Town meeting will be gavelled to order at approximately 7:30 p.m., and on Monday and subsequent adjourned sessions, the voters will decide what living here will cost to the taxpayers.

This year, unlike other annual sessions, the town meeting has several proposals which will have a definite bearing on Andover's future.

There are non-monetary items, such as adoption of a representative town meeting and also banning of non-returnable bottles, as an ecology move.

These items, along with conservation articles, will have a deep impact on the voters of the community.

But the major impact, and one which affects all, will be the determining of the 1971 tax rate, through adoption of articles dealing with appropriation of funds.

It is imperative that all Andover residents make every effort to attend all sessions of the town meeting this year.

Needless is it to mention that all of us are faced with increased costs, not only on personal basis, but on the state and federal government levels as well as our town.

The Finance Committee has made its recommendations and has concluded that no more than a \$4 increase in the tax rate will result in 1971, if their suggestions are followed.

Further, FinCom officials are planning to present to town meeting, proposals to reduce the tax rate hike even further, letting the taxpayers decide if they want services this year, or delay them for another year.

The decision will be up to the voters.

The FinCom has worked diligently to save the taxpayers money.

Their efforts, most exemplary, in view of their volunteer efforts resulting in countless hours examining budgets and special articles, should be followed.

Is it of little concern when a taxpayer complains of the cost of operating his community's needs, when he fails to attend town meeting.

Good attendance lends itself most appropriately to the Democratic process.

We would hope that thoughtful review of the Finance committee report and attendance at town meeting, that Andover will be afforded the wisdom of a sane financial future.

A Mandate

Monday's election results, particularly in the school committee race, appear most interesting.

Mrs. Virginia Cole was defeated by Dr. Francis Griggs, a Merrimack College professor.

We see the results as a mandate to school authorities to examine itself, particularly in its financial and innovative procedures in directing the town's school system.

Hardly anyone would deny Mrs. Cole's devotion to public education over the years, as well as her civic contributions.

But, Dr. Griggs, in his campaign, brought out some interesting points.

He commented on the evaluation of the open school concept.

Is the open school better than the structured system?

He felt answers were needed.

Is proper use being made of school buildings? Are double sessions something to consider in this day of rising construction costs? Do we continue to spend money for education simply because Andover has a reputation as an educationally minded community?

These are the questions, Dr. Griggs asked during his campaign.

The school department has had an almost cost-conscious attitude in recent years.

Perhaps Mrs. Cole fell victim to this attitude, despite her devotion to duty.

But Dr. Griggs brought home some pertinent points - some which may spill over to town meeting.

William F. King survived the onslaught on Monday.

Possibly, had another candidate been in the race, the upset would have been even more major.

Conceivably, the results contain a lesson to school authorities.

The Veto

There are some people in the community who would like to see the veto power of the Finance committee done away with at the October town meeting.

It will be subject to town meeting decision, under Article 28.

Possibly it will not come up at the initial session on Monday night.

But when it does, the article, which would eliminate the veto power of the Finance Committee over any financial expenditures at a special town meeting, which the October session is, would be bypassed.

Thus any articles could come before a special session.

The veto power was granted to the Finance committee for a specific purpose, namely to eliminate pressure tactics for particularly interested parties.

To now remove that power would thoroughly jeopardize the orderly process of government.

Much to its credit, the Finance Committee is being threatened by school committee, which is the sponsor of the article to eliminate the veto power.

It would appear that the school people would like to supersede the FinCom authority, if they fail to win their desires at the annual town meeting.

We think the veto power of the Finance Committee is well taken and justified.

If they are to be the 'financial watchdogs' of the town, as they are most properly referred to, then they should be granted the powers to insure proper financial protection of the community.

Retention of the veto power seems most important if Andover's future course is to be charted on a sound economical basis.

Route 93

For a comparatively new highway, Route 93 leaves much to be desired as far as its surface is concerned.

Travelling over the section in Andover, the roadway is bumpy and hazardous.

The state department of public works is continually being harassed with regard to road conditions.

Justifiably so, however, when an expressway such as Route 93, with its heavy vehicular traffic, is in such a deplorable condition after being opened for so short a time.

The bumpy, almost washboard, surface, lends itself quite adequately to accidents.

Cars can be thrown off course, and the three-lane travelled way becomes perilous during peak traffic hours.

We would hope that attention will be given the thoroughfare and soon, even with the realization that winter weather is still with us.

This major artery, with its fog-patched section, now being joined by its horrendous surface in some areas, is certainly in need of attention - the sooner the better.

Down The Years

75 Years Ago - March, 1896

Town meeting begins next Monday at 9 a.m. It is hoped that all vote in the morning and be on hand for the business session in the afternoon.

Anniversary committee formed to plan for the observance of the town's incorporation in 1646.

Several of the public schools were closed on Monday so that teachers could observe a visiting day.

The Post Office did not close Saturday, Washington's Birthday, since many of the town's businesses remained open.

Basketball has been introduced at the academy gymnasium and is played every day. Club teams are now competing daily.

50 Years Ago - March, 1921

Andover Glee club forms in an organizational meeting held at Free Church. Bylaws are adopted and plans for an energetic season are made.

Memorial Hall library was open 26 days last month and issued 4,001 books.

Extension courses well attended by men and women at Grange Hall, West Andover for the men, and at West Parish church for the women.

The Andover Mother's Club are hostesses to the Bradlee Mother's Club of Ballardvale at a monthly luncheon.

Andover residents contribute \$1,100 to European Children's

Clothing Relief fund.

25 Years Ago - March, 1946

Heaviest town vote in many years upsets incumbents on board of public works, with Sanborn A. Caldwell and John H. Kelly defeating William Barron and P. Leroy Wilson.

TOWNSMAN feature story indicates that Stowe school, as is presently known, was opened for public education in January, 1895, after original structure burned in February, 1894.

The Shattuck Country store is featured in this week's issue, with Sidney P. White and Mr. Shattuck, seated by the pot belly stove, reading and reminiscing. (The store is located off River road near Route 93.)

Robert Montgomery, Barbara Stanwyck, Fred Astaire, are featured performers in movies being shown at the Andover Playhouse this week.

Repair of fence along Riverina Road, damaged by hurricane, a major issue at town meeting. Residents want fence repaired for safety reasons, while owners of land refuse to make necessary corrections.

10 Years Ago - March, 1961

Fluoridation sparks annual town election. Use of chemical hotly debated as voters prepare to go to the polls on Monday.

Introduction of hockey as an

(Continued on Page 17)

What Our Readers Say

To the Editor of the TOWNSMAN:

One argument in favor of state aid to the parochial schools is that the state could not afford the tremendous influx of children into the public schools which would be occasioned by the closing down of the parochial schools.

Whether or not the state supports the present parochial system, or accepts the population of those schools into the public school system, the cost to the taxpayer will be the same, or at least there will be considerable expense involved. The point at issue here seems to be the matter of the control of the educational philosophy -- in whose hands should it be?

Seeing that we are going to have the expense in any case, let us bring the parochial school children into the public schools where the control of the educational philosophy remains in the hands of the people.

Helen W. Allen
199 Greenwood Road

To the Editor of the TOWNSMAN:

We are led to believe that passage of Article 62 of the Andover Town Warrant would mean local merchants in Andover doing business in soft drinks and beer would have no merchandise to sell.

The fact is the following companies already supply beverages in returnable bottles. They are: Coca-cola, Sprite, Tab, Fresca, Pepsi-cola, Hires Root Beer, Teem, Orange Crush, Moxie, Beer in returnables are, Black Label, Scheaffer, Millers, Schlitz, Hollands, Pabst Blue Ribbon, Pils, Rheingold, Budweiser, Narragansett.

Considering the savings involved to every taxpayer in Andover, increased sales of these companies product should encourage other companies to consider a return to returnables.

Frances Hughes
13 Lockway Road

To the Editor of the TOWNSMAN:

The townspeople of Andover have entered a critical period in our community's life: critical because of the challenge of responsibility that is being required from all of us. At the town meetings on March 8, 15, and 20th, we must supply answers to many complex problems and these answers will have far-reaching effects.

The vote on the Doherty School Addition has the potential of having an effect on every child in our public and private school systems. The costly water treatment plant proposed for Haggetts Pond will test our serious intent to continue to clean up our environment. The further development of recreational facilities will illustrate our commitment to provide community and family recreational possibilities. The townspeople are being asked to set the salaries of municipal employees.

Open meetings for voters to discuss the warrant articles with town officials and board members are aids in helping us to become informed voters. An open meeting is being held Thursday evening at 7:30 p.m. at the Doherty School.

Town Meeting begins Monday. We shouldn't want to miss it.

Mrs. William Scheerer

President,
League of Women Voters of Andover

To the Editor of the TOWNSMAN:

I have recently had an opportunity to review operations at the Andover dump. Apart from the frugality with which we have financed its operation over the years, the main aspect that stands out is the appalling volume of trash our affluent society wastes daily. The average rate of disposal is now 10 pounds per person per day, and at that rate Andover will bury 4 acres 9 feet deep in waste this year.

Our developed economy uses resources 20 to 50 times faster than underdeveloped countries. To a degree, this really is a measure of how much we waste in the name of convenience or expediency -- and how much we could save if we wanted to.

(Continued on Page 17)

Named Director At Princ

Timothy C. Callard, member and college officer at Phillips Andover, has been named Director of Admission at Princeton University. President Goheen has announced the appointment is effective immediately.

The 29-year-old Callard is a honors graduate of Phillips Andover. He succeeded John T. Osar as head of the admission office the last five years. He announced early last year he was resigning at the current academic year to enter a non-profit "Educational Studio" to influence the future of educational administration and teachers.

The selection of Callard grew out of an extensive consultation in which faculty, students, and others were involved. The review of the selection of a sizeable number of possible candidates had been suggested by the Board of Trustees. This process and review was directed by the College Edward van to whom the

of admission is responsible. As is the appointment itself with the Executive Committee of the Trustees on the recommendation of the president.

"I am delighted that I will be joining President Goheen. Undergraduate here, himself outstanding as an athlete, and a citizen. Since then I have continued to grow in my field and as an associate and also as a faculty member at Andover we have of only the highest quality of his intelligence, integrity, good judgment, ability to provide leadership, experience there should be valuable here. And no doubt that he has a degree those qualities and character -- courage -- which are to handle the difficult multiple strains which characterize the rest of the Admission Office selective universities one."

Callard has been a member in religion at Phillips Andover since 1966, the year he graduated study at Phillips Andover Seminary, receiving a degree in religion. His work was an examination of the Bonhoeffer, Pitter, Tillich.

He also serves as Coach of varsity football and varsity lacrosse (sports). He won All-Ivy honor, as director of Community Service and as a member of the Phi Kappa Psi chapter and as assistant director of the Phi Kappa Psi chapter.

In summer work at Princeton, Callard has a variety of experience as teacher-counselor he has with the Princeton Schools Program, a brings promising students to the campus for intensive study. The following served as a member of the university's admission staff. He also worked summer in Boston Housing Inspection, and as director of End Summer Internship study program in Boston.

Named Director At Princeton

Timothy C. Callard, a faculty member and college placement officer at Phillips Academy in Andover, has been named Director of Admission at Princeton University, President Robert F. Goheen has announced. His appointment is effective July 1.

The 29-year-old Callard, a 1963 honors graduate of Princeton, will succeed John T. Osander, who has headed the admission office for the last five years. Osander announced early last month that he was resigning at the end of the current academic year to start a non-profit "Educators' Learning Studio" to influence the training of educational administrators and teachers.

The selection of Mr. Callard grew out of an extensive process of consultation in which trustees, faculty, students, alumni, and others were involved, and it entailed the review of the qualifications of a sizeable number of possible candidates whose names had been suggested by various sources. This process of search and review was directed by Dean of the College Edward D. Sullivan to whom the director of admission is directly responsible. As is normal, the appointment itself was made by the Executive Committee of the Trustees on the recommendation of the president.

"I am delighted that Tim Callard will be joining us," said President Goheen. "While an undergraduate here, he proved himself outstanding as a student, as an athlete, and as a campus citizen. Since then he has manifestly continued to grow. From faculty and administrative associates and also from students at Andover we have expressions of only the highest admiration for his intelligence, sensitivity, integrity, good judgment, and ability to provide leadership. His experience there should prove invaluable here. And there can be no doubt that he has in unusual degree those qualities of mind and character -- including the courage -- which are necessary to handle the difficult choices and multiple strains which today characterize the responsibilities of the Admission Office in highly selective universities such as this one."

Callard has been an instructor in religion at Phillips Andover since 1966, the year he finished graduate study at Columbia University and Union Theological Seminary, receiving an M.A. degree in religion. In graduate school, his work was directed to an examination of the thought of Bonhoeffer, Pittenger, and Tillich.

He also serves as assistant Coach of varsity football and varsity lacrosse (sports in which he won All-Ivy honors at Princeton), as director of Phillips' Community Service Program, as a member of the chapel staff, and as assistant director of college placement.

In summer work since leaving Princeton, Callard has gained a variety of experience. He was a teacher-counselor here in 1964 with the Princeton Cooperative Schools Program, a project that brings promising students from disadvantaged neighborhoods to campus for intensive summer study. The following summer, he served as a member of the university's admission staff. He has also worked summers with the Boston Housing Inspection Department, and as director of the South End Summer Internship, a work-study program in Boston's South

End, involving students from Andover, Exeter and that center city neighborhood.

In summer, 1970, he attended the Harvard School of Education, taking courses in "Adolescent Development," "Urban Politics," and "Schools Without Walls: An Urban Alternative."

A native of Boston, Callard attended the Gilman School in Baltimore before entering Princeton. He was named All-Ivy guard on the 1962 football team, and was also All-Ivy and Captain of the 1963 lacrosse team. The National Football Foundation selected him for one of their Scholar-Athlete Awards in his senior year. A major in the Department of Religion, his activities included the Chapel Deacons, the Nassoons (a singing group), and the presidency of Ivy Club.

He is the son of Henry H. Callard, formerly Headmaster of the Gilman School, who from 1966 through 1968 was Director of Princeton's Office of Teacher Preparation and Placement. He is married to the former Patricia A. Miller of Greenwich, Conn.

Woman's Club Entertained By Drama Group

The Shawsheen Village Woman's Club meeting was held on Monday, March 1, at the Andover Country Club.

Mrs. Frank Stevenson presided. The Drama Department presented the entertainment for the evening. A comedy, "Four for the Money," under the direction of Mrs. George Farrell was the presentation. Club members, acting in the play were: Mrs. G. Ainscow, Mrs. J. Bangert, Mrs. G. Gliss, Mrs. H. Azarian, Mrs. J. Carmichael and Mrs. R. Pelrine. Hostess chairman for the evening were Mrs. H. Craddock and Mrs. F. Mathias.

Mrs. Stevenson spoke of the April 5 meeting, which will be

"American Home Day". Coffee will be served. After the business meeting Phyllis Church Maloney will give an exhibition, lecture and demonstration of Fleurage. This new type of collage created by Mrs. Maloney consists of a picture made of preserved flowers which has been arranged and pasted, then framed under glass. At 1:00 p.m. a luncheon will be served. Members are invited to exhibit their art work at this meeting.

Hostess chairman for the coffee hour will be Mrs. Louis Petersen, and hostess chairman for the luncheon will be Mrs. G. Ainscow and Mrs. George Farrell.

Gardners To Hear Lecture

"Mushrooms, Ferns and Lichens" will be the subject of the lecture of the March 11 meeting of the Four Seasons Garden Club. Mrs. Anne S. Woodson will show the group slides and will help identify non-flowering plants.

The meeting will be held at the home of Mrs. J. Thomas Heislein, 10 Wild Rose Drive. Mrs. John Perlowski and Mrs. Richard Bartle will be co-hostesses for the morning.

Members are asked to call if they would like a guest reservation.

Engagement Announces

Miss Heloise Dolan

Lieutenant Colonel Philip Jarvis Dolan, United States Army, retired, and Mrs. Dolan of Palo Alto, Calif. announce the engagement of their daughter Heloise (Missy), son of Mr. Arthur Herne Bartlett, son of Mr. and Mrs. Robert E. Bartlett, Andover.

Miss Dolan attends Foothill College, Los Altos, Calif., and Mr. Bartlett, a 1968 graduate from Andover High School, now attends California State College at Hayward, Calif.

The wedding date has been set for June 19 and will take place in Stanford University's St. Ann's Chapel in Palo Alto, Calif.

Choral Concert At Brooks

The Brooks School - Rogers Hall Choir will give a concert on Saturday, March 6, at 7:30 p.m. in the Rogers Hall Auditorium, 196 Rogers St., Lowell. The public is cordially invited to attend free of charge.

The featured work on the program will be "Frostiana," a setting of seven poems by Robert Frost, to music by Randall Thompson. The choir will also sing anthems by Tye, Vaughan Williams, and Virgil Thomson.

Christopher King, director of music at the two schools, will conduct the choir. Willard Lawton, concert pianist and a member of the Rogers Hall faculty, will accompany and also play piano pieces by Chopin and Bartok. The Rogers Hall Octet will sing several lighter selections during the concert.

"Frostiana" was composed in 1958 on commission from the town of Amherst for its 200th anniversary celebration. Randall Thompson, who has been called "foremost among our native composers in the art of choral writing," was for many years Professor of Music at Harvard University.

The Brooks School - Rogers Hall Choir is composed of 60 boys and girls; it sings every Sunday evening in the Brooks School Chapel in North Andover. The choir gave a successful concert at Rogers Hall last December.

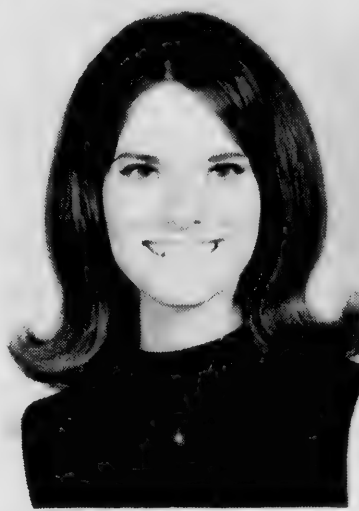

A second performance of "Frostiana" will be given as part of the regular chapel service at Brooks School at 7 p.m. on Sunday, March 7. Visitors are welcome at this service.

Creative Night Set For Circle

The Women's Evening Circle of West Parish Church will meet on Thursday, March 11 at 7:45 p.m. in Fellowship Hall.

This meeting will be a "Creative Night" with Mrs. Joan Wilde. Dress casually and be prepared to participate and have fun.

Hostesses will be Mrs. Mary Krieger, Chairman; Mrs. Edna Henderson, Mrs. Henrietta Hess, Mrs. Edith Hudson, Mrs. Betty Jordan, Mrs. Sara Hess, Mrs. Helen Koester, Mrs. Gladys Piper and Mrs. Ruth Ziegler.

Miss Carolyn Jean Miller

Miss Miller Engaged To Mr. Thompson

Mrs. Paul B. Miller, Ossian, Indiana, announces the engagement of her daughter, Carolyn Jean, to Alan Kenneth Thompson, son of Mr. and Mrs. Kenneth P. Thompson, 6 Howell Drive.

Miss Miller is a graduate of Ossian High School and International College. She is employed by Fort Wayne Community Schools as a secretary. Her fiancé is a graduate of Andover High School and will graduate in June from Indiana Institute of Technology.

The couple plan to be married March 20 at St. Joseph's Church in Ellettsburg, Indiana. They will reside in Fort Wayne, Ind. until Mr. Thompson's graduation, at which time they will come to Andover.

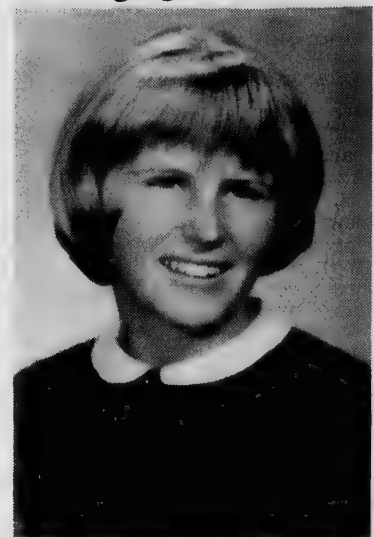

Named Chairman

Mrs. George W. Patterson, 75 Cheever Circle, has been named chairman of Coffee Day for crippled children for this community. Mrs. Patterson who served as Andover Coffee Day Chairman last year expects 1971 to be even more successful.

All Coffee Day proceeds go toward the Easter Seal campaign.

The northeast regional office of Easter Seals is located at 26 Chestnut St.

Miss Culbert Is Engaged

Miss Linda L. Culbert

Mr. and Mrs. Richard A. Culbert, 177 Elm St. announce the engagement of their daughter, Linda Louise, to Hubert W. Hawkes, Jr., son of Mr. Hubert W. Hawkes of San Diego, Calif.

Miss Culbert is a 1967 graduate of Andover High school and a 1969 graduate of Burdett College, Boston.

Mr. Hawkes attended M.I.T. A summer wedding is planned.

On Dean's List

Miss Karen Mitchell, of Woodbury, Conn. has been named to the Dean's list for the first semester at Salem State College, where she is a first year major in business administration. She graduated with honors from Woodbury High School and is in the National Honor Society.

Miss Mitchell is the daughter of Mr. and Mrs. Garry Mitchell, of Woodbury, Conn. and the grandniece of Mr. and Mrs. King Byrum of Andover.

TOUR PRICES BASED

Off The Top Of The Desk

Comes the particular time of year, when if a little snow falls, the grimy remnants of winter are apparent.

As one traverses the town these days, the sand spread along the sidewalks for protection and safety, is lying about.

With a little wind, the gravelly residue makes its way into clothing and sometimes into eyes.

Such are the perils of New England weather.

Another sign of the times, as the days grow longer, is the appearance of the snow which has been with us since sometime in December.

Ecologists would quickly point to the dirt accumulated on the once white, sparkling surface.

Underneath the snow, incidentally is a solid coat of ice, built up through thawing and subsequent freezing conditions.

A good sign of spring is the announcement that the annual New England Spring Flower show is scheduled to open a week from Sunday.

With the appealing displays and the competition, often won by Andover gardeners, can the pleasant weather be far behind?

Two courses for county homeowners and gardeners will be offered by the Essex Agricultural and Technical Institute. The classes will meet one evening each week from 7 to 10 p.m. Registration for both classes will be held at 7 p.m., Tuesday, March 9 in Berry Hall.

Home Grounds Improvement - this 10-week course will cover lawn construction and maintenance; tree and shrub maintenance; pest control; plant propagation; and planning, planting and caring for the home garden.

Home Vegetable Gardening - 12-week course includes the planning, location, and preparation of a garden; plants, cultural practices; control of insects and diseases; harvesting and storage; and basement light gardening for salad crops.

These courses are sponsored in cooperation with the Department of Education and offered free of charge to county residents. Those interested in enrolling should register at the time specified.

The TOWNSMAN'S Rick Harrison, who contributes sports items to these columns, is really busy these days.

He reports on Boston Bruins activities for a Lowell newspaper, and was recently interviewed between periods on a Boston radio station.

He also has articles appearing in the February and March editions of a national hockey magazine.

A week from Friday, he will leave with the Lowell High football team, co-champions in Class A as the group enjoys a trip to Bermuda.

Seemed a bit unusual Monday night to have the election results in so early.

With the computer totals recorded at an early hour, the town hall was vacated by the usual political prognosticators early.

Much different than in past years, when the campaigners and their followers stayed on until well after midnight awaiting the final results.

LETTERS

(Continued from Page 14)

The fact that most of our basic resources will be used up within 75 years; that we will then be mining today's dumps for raw materials, should make us want to conserve -- now. The obvious answer is that we must consume less, waste less, and reuse more.

By passage of article 62 at this year's Town Meeting, Andover will have an opportunity to reverse the trend toward the use of those conveniences which are really synonymous with waste. As added benefit, the elimination of non-returnable bottles and cans will make our landfill last longer; reduce the litter on our roads; and should save us money on our purchases of soft drinks and beer.

An alternative is recycling; the collection, sorting, and trucking of the cans and bottles to be reprocessed. This expense would be paid by taxpayers however, not by bottlers and distributors. While recycling is the ultimate answer for the trash problem, it's time has not yet come.

Aside from a little time and care Andoverites would not lose much; most of the popular beverages can be obtained in returnables. Our approval can favorably influence similar legislation now pending in Massachusetts and most of the other New England States, which would convince other bottlers to produce returnables.

In addition to approving articles 22, 23, 24, 25 and 26 which are essential to proper daily disposal of the town's wastes, we should pass article 62 to put some of the responsibility where it belongs, on each of us.

David M. Erickson
56 Ballardvale Road

To the Editor of the TOWNSMAN:

Water is a precious natural resource and is short in supply nationwide but especially in Andover. Despite the heavy precipitation this winter Haggett's Pond is low. To avoid a water famine this summer we must expand our facilities. To this end we will be asked to appropriate one million dollars at the March meeting. This will be only a beginning and the total cost of the water system will be much more. The cost will be borne by the real estate owner.

The total water consumption in 1970 was one billion, ninety-eight million, four hundred ninety two thousand gallons. Consumption by industry was twenty-seven percent of the total, in round figures four hundred million gallons. The two large industries recently located here consumed twenty percent of the total or two hundred twenty thousand gallons.

The new water rate schedule of charges is for the first two thousand cubic feet, seventy cents per hundred cubic feet; for the next eight thousand feet, sixty cents; and on a scale down to thirty-five cents on all over one hundred thousand feet.

The average household use is ten thousand cubic feet each six months. This costs the user sixty-two cents per foot. At the same time the large industries are buying their water at thirty-five cents per foot. Why offer reduced rates to those who are using up our natural resource at such a rate.

It is suggested that we eliminate from the rate structure all below the sixty cent charge and charge industry the same rate as is paid by the householder. It is understood that we cannot run the water department at a profit unless the profit is used to increase capital expenditures. It would help pay for our needed expansion if those who use so much water provided funds for the increased facilities.

Howell M. Stillman
15 Juniper Road

To the Editor of the TOWNSMAN:

Voters should keep in mind that at town meeting majority vote can bring up any Article in the Warrant regardless of its place. Selectmen arrange Articles in order only to get the entire Warrant in form so it can get to the floor. With town meeting in session the order in which Articles are to be considered can be determined by those present and voting. Also officials of town meeting, while it is in session, have no more legal power in the conduct of business than does each voter present.

26 percent of this year's Warrant is taken up concerning accepting traveled ways as public streets. A by-law is needed that requires that those who wish such action must present certified cores of the highway surface and foundation in question for each 300 feet of length together with a statement of its composition which has been made by a certified testing agency. Also a certified statement that all drainage and traffic standards have been met. Then give to the town a bond for \$5000 for 5 years for each 300 feet of highway to be accepted. All of this at the expense of those seeking accommodation.

This would sufficiently guarantee compliance with town standards. Selectmen would, by their signature, insure to town meeting that its interest has been protected. This by-law would save up to 25 percent of town meeting time each year, as well as assure better highways.

Frequent changing of by-laws is unwise. Changing now so as to allow commerce here and there about town is mostly remarkable for efficiently turning the town into a city, bit by bit, as well as increasing the costs of protecting health and welfare and the new costs of handling water, sewage, waste accumulation and air.

Back in 1966 letters to editors pointed out the false economy of allowing distribution by means of nonreturnable bottles and packages. Time has proved foresight of that opinion.

THE ANDOVER TOWNSMAN, MARCH 4, 1971

17

The several letters against implementation now (Article 62) seem to be based upon the false supposition that because a corrective taken may not be immediately and universally effective, it should not be made. If that were the standard of life, we would still be naked and defenseless against exploitation.

Karl Haartz

DOWN THE YEARS

(Continued from Page 14)

interscholastic sport at Andover High school is received by the school committee with no immediate action taken.

Richard E. Krafve, president of Raytheon, meets with 600 residents of the town at the junior high school auditorium and states, "We feel there is future here in Andover for Raytheon."

Prediction is that Andover can retain its \$26 tax rate if all recommendations are followed at town meeting.

Former President Dwight D. Eisenhower sends letter of appreciation to Robert V. Deyermund, 91 Elm St., for his appreciative comments on his administration.

Family Service At Temple

On Friday evening, March 5, at 8:15 p.m. Temple Emanuel, 483 Lowell St., Lawrence, which serves the Jewish community of Greater Lawrence, will hold the second Family Service of the season. Special guests will be the Camp-Fire Girls of this area and their counselors. The theme for this Sabbath Service will be the Festival of Purim since this will be the Friday evening preceding that holiday which this year falls on Thursday, March 11.

A special Purim Service will take place on Wednesday, March 10, at 7 p.m. As is the custom, favors will be distributed and hamantaschen, the traditional Purim refreshment will be served. Families are urged to attend.

Ponce De Leon discovered Florida on March 27, 1513.

Swimming Instructor Course Set

A Red Cross Instructors' Course in swimming for the handicapped will be offered under the sponsorship of the Andover Chapter, American Red Cross, according to Mrs. James Christopher, chairman water safety services. Co-sponsors include the Andover Branch of the Lawrence YMCA and the Easter Seal Society for Crippled Children of Mass.

The course will begin on Wednesday, March 10, 7-10 p.m. at the Andover YMCA and the group will meet on successive Mondays and Wednesdays through March 24 at the YMCA or at Phillips Academy pool. Eligible are currently certified Red Cross Water Safety Instructors. Other adults may audit the course.

The course director will be Edward Kershaw, Red Cross Trainer of Instructors for the Handicapped, director Boston Regional Office of the Easter Seal Society and chairman of the Andover YMCA physical education committee. Other local staff members are Richard P. Cate, Red Cross handicapped swimming instructor and Andover YMCA executive director, and Carrol Dowd, handicapped swimming instructor for the Andover public schools. Other staff members will include Panos G. Panagakos, M.D., Orthopedic Surgeon at Boston Children's and Peter Bent Brigham Hospitals; Recreation Therapist Chester Molinari of Brockton V.A. Hospital; Psychologist Robert Mathews of the Easter Seal's Northeast Region Office in Andover; Physical Therapist Caroline Napolitano of the Boston Regional Office of Easter Seal; July Hoyt Director of Easter Seal Handicapped Children's Program in Melrose and Frank Holland Red Cross Field Representative.

SPECIAL TOWN MEETING TOWN OF ANDOVER WARRANT THE COMMONWEALTH OF MASSACHUSETTS ESSEX, SS

To either of the Constables of the Town of Andover Greeting:
In the name of the Commonwealth you are hereby required to notify and warn the inhabitants of said town who are qualified to vote in Town Affairs to meet and assemble at the Memorial Auditorium, Bartlett Street, in said Andover, on

MONDAY, THE FIFTEENTH DAY OF MARCH, 1971
at 9:00 o'clock P.M., to act upon the following articles:
ARTICLE 1. To see if the Town will vote to abandon or discontinue the project for the construction, original equipping and furnishing of a town hall for which the sum of \$550,000 was appropriated and borrowed pursuant to the vote adopted under Article 11 at the 1965 Annual Town Meeting and further, to see if the Town will vote to raise and appropriate the sum of \$35,000 or any other sum, for the cost of plans and specifications for constructing and equipping an addition to the present town hall and remodeling of the present town hall and determine whether such appropriations shall be raised by taxation, by transfer from available funds, or by transfer of the unexpended balance of funds appropriated by vote on Article 9 of the Warrant of the Annual Town Meeting of 1970, and, further, to see if the Town will vote to petition the General Court for the passage of any special law necessary to authorize and validate any action taken or vote adopted pursuant to this Article and to grant to the Town the power to appropriate the unexpended balance of the aforesaid \$550,000 loan for other purposes, or take any other action relative to the foregoing matters.

ARTICLE 2. To see if the Town will vote to raise by taxation and appropriate \$18,000 to remodel and to reconstruct the Stowe School which is to be used for administration purposes.

ARTICLE 3. To see if the Town will vote to rezone the following lots - 4, 4a, 5, 6, 7, 8, 9, 9a, 10, as shown on the Town Assessors Map 126, Lots 9, 10, 11 as shown on the Town Assessors Map 143, from Industrial A to Single Residence C.
Inserted at request of JOHN J. CLARKE, JR. and others.

And you are directed to serve this warrant by posting attested copies and publication thereof, seven days at least before the time and place of said meeting as directed by the By-Laws of the Town.

Hereof fail not, and make return of this warrant with your doings thereon, at the time and place of said meeting.

Given under our hands this twenty-second day of February, A. D., 1971.

Many Oriental Rugs On Display

Now it is easier than ever for
you to own the luxurious, fine
quality carpeting you have always
wanted. Albrite Carpets, Route
114 in Lawrence, still has prices
reduced and they feature a
complete line of carpeting by all
the top names in the country, plus
a handsome display of fine
Oriental rugs.

If you want wall-to-wall car-
peting, make your selection from
full rolls of broadloom by such
well known makers as Alexander
Smith, Bigelow, Cabin Craft,
Magee and Berwick in all wools,
or any of the new fibres, Albrite's
experts who know carpeting can
advise you on the different quali-
ties offered by the different

fibres, so you may choose the
correct carpet for the place it
is being used, thus deriving the
most enjoyment and years of
service from your carpeting.

Albrite Carpets also has
a beautiful selection of heavy, rich
Oriental rugs in floral and
geometric designs. They have
Scandinavian inspired area rugs
and also lovely pastel Indian
Orientals in room sizes, runners
and scatterers. For your entry hall,
playroom, or gameroom, Albrite
has several types of indoor-out-
door carpeting. They also have
the new kitchen carpets in patterns
or solid colors, to give you com-
fort underfoot in the room where
you spend the most time.

Albrite Carpets is a complete
facility that offers sales and
service plus expert cleaning on
all types of carpeting. You can
save 20% on cash and carry rug
cleaning. Take your rugs in now
and have them cleaned to remove
dirt and dust which ruins fibres
and shortens the life of your rugs.

If you prefer, Albrite will go
to your home or place of busi-
ness for wall-to-wall cleaning and
moth-proofing service. They do
all types of carpet repair work
such as rebarling holes, binding,
fringing, seaming and installing,
as well as upholstery cleaning.

Call Albrite Carpets at
682-7651 or stop in at their plant,
conveniently located on Route 114,
just off Rte. 495 in Lawrence.

LEGAL NOTICES

MORTGAGEE'S SALE OF REAL ESTATE

By virtue of the power of sale contained in a certain mortgage given by RAYMOND BORRELLI, trustee of SCOTT REALTY TRUST of PEABODY, to the ANDOVER SAVINGS BANK, a corporation established in Andover, Massachusetts, dated October 30, 1969, recorded in the North District of Essex Registry of Deeds Book 1143, Page 189, for breach of conditions contained in said mortgage deed, and for the purpose of foreclosing the same, and in accordance with a decree of Land Court (Case No. 61349-Misc.) will be sold at public auction on the mortgaged premises on Tuesday afternoon, April 6, 1971 at three o'clock, the premises conveyed by said mortgage deed, namely, a certain parcel of land, with the buildings thereon, being shown as Lots numbered 13 and 13A on Aspen Circle, Andover, Essex County, Massachusetts, shown on a plan entitled "Subdivision and Acceptance Plan, Forest Hills in Andover, Inc., Engineer, Clinton F. Goodwin, Registered Land Surveyor, 25 Washington Square, Haverhill, Massachusetts, scale: 1"=40'." recorded with North Essex Registry of Deeds as Plan No. 5388, said Plan is dated October 1, 1965. Being the same premises conveyed to SCOTT REALTY TRUST of PEABODY, RAYMOND BORRELLI, TRUSTEE, by deed of suburban Properties, Inc., of even date duly recorded.

Said premises will be sold subject to all unpaid taxes and to any other municipal assessments. A deposit of one thousand dollars in cash or certified check will be required of the purchaser at the time and place of sale and the balance of the purchase money is to be paid within ten days thereafter.

When a Vermont Guernsey decides the grass is greener on the
other side, she goes. No worries about congested highways or
bumper to bumper traffic. If you're seeking the quiet, unhurried
life of Passumsic, or any other area in New England Down East
will take you there. Our professionals will guide you in selecting
the land that best suits your needs, and we'll continue to guide
you in making the best use of that land...whether it's a Vermont
vacation home or a Maine investment site, or a combination of
both. Let Down East (an associate of Land-Vest) find the spot
for you where the grass is greenest.

Ecologist To Discuss Ordinance

The man credited in the national press as "a private citizen who has made environmental history" by successfully sponsoring the nation's first municipal ordinance against nonreturnable soft drink and beer containers is coming to Andover this weekend -- to discuss Town Meeting Article 62, which asks the same ordinance in Andover.

Dr. Ellis Yochelson of Bowie, Md., a Smithsonian Institute geologist, will publicly debate the pros and cons of the Andover bylaw modeled on Bowie's, with the president of the Massachusetts Bottling Association. He will speak to the Andover and Lawrence Chambers of Commerce, meet town officials, hold a three hour public question and answer session Saturday for the public, and wind up with talks at Christ Church's Sunday Forum, to which the public is also invited.

Andover voters trying to make up their minds on Article 62, will have plenty of opportunity to hear and question Yochelson over the weekend. They will be joined by the Boston news media, several state legislators and a Harvard Study Group for the question and answer period Saturday afternoon, 1-4 p.m. at the Underwood Room of Phillips Academy's Audio Visual Center. Andover's article for an bylaw against nonreturnable containers, and several bills now in the state legislature aiming in the same direction have focused wide interest on Yochelson's visit to Andover this weekend.

Thomas Cone, member of the Chamber of Commerce' Ecology Committee, and advisor to Andover Ecology Action, which is sponsoring Dr. Yochelson's visit, gave the following schedule for Dr. Yochelson's stay in Andover:

Friday noon: address to the Greater Lawrence Chambers of Commerce. 1:30 p.m. Andover High School, to talk to interested students. 3:30 p.m. Town Hall, to talk to the Town Manager and other officials.

8 p.m. The People's Choice Coffee House at the Unitarian-Universalist Church on Lowell St.: A debate with George Price, vice president and general manager of the Pepsi-Cola Bottling Co. in Lynn, and president of the Massachusetts Bottling Association. The public is invited.

Saturday, 1-4 p.m.: The Underwood Room, PA's Audio-Visual Center, Chapel Avenue: An informal session to answer questions of any interested citizens; the Boston news media, a study group from Harvard and some legislators have indicated they will attend this session. Everyone is welcome.

Sunday morning: Christ Episcopal Church Parish House, Central Street, at 10:15 and again at 11:15 a.m., to talk to the Church Forums, Rev. J. Edison Pike announced that the interested public is welcome.

ELECTION

(Continued from Page One)

successful in his bid for another five year term. Eldred polled 2,770 votes to 1,581 for Donald J. Mulvey and 917 for Atty. Walter Corcoran.

Interest in the Housing Authority race appeared to stem from new legislation which would permit the board to act on low or moderate

income housing units in town.

Two referendum questions were approved by the voters, the first giving more liberal vacation allowance to regular fire and police department employees, 3,538 to 1,644.

The second question granted civil service status to cemetery workers, 3,240 to 1,867.

The school committee upset was seen by political observers as a rejection of some current school board policies.

Dr. Griggs had campaigned on several issues dealing with a change in some of the existing policies of the board and the school administration.

In winning on his first try for public office, Griggs appeared to benefit from the so-called "bullet" vote. This is where

a voter casts only one vote in a race where two are to be elected.

There were 1,831 blanks in the school committee contest.

The victor received 3,960 votes, to not only win the contest but proved to be the top vote getter of the day.

Griggs led in all precincts with the exception of Precinct six where he trailed Mrs. Cole slightly, finishing third in that area. His largest vote was in his home precinct, four, where he amassed a total of 1,100 votes.

Election results were reported the fastest ever, Monday night, the complete tabulations being available by 9 p.m., an hour after the polls officially closed.

The punched cards were fed through the computer and processed without problems, according to

Town Clerk Elden R. Salter. Absentee ballots were tabulated at the town hall, following receipt of the results from the computer center.

The selectmen Tuesday night commended the town clerk and his staff of poll workers for the efficiency and dispatch with which the election was handled, and for the speed in delivering the totals.
